PALZER MOST PROMISING.

New York Heavyweight Springs into Prominence Among the "White Hopes."

Of the two new heavyweights in the game we might say Al Palzer of New York is the most promising, is the opinion of a western sporting authority. At least he has not been beaten and has done more to lift himself to the top of the heavyweight division, inasmuch as he has beaten Al Kaufman, considered a better man than any Morris has whipped.

Palzer looks to be the real class in fighting stock. Of course he needs experience and a lot of it, but he did mightily well to finish Kaufman in five rounds. O'Rourke is managing the big Iowa farmer and will have him at the top in a short time if such a thing is possible.

Palzer is built a little on the order of Bob Fitzsimmons. He has very small legs, ordinary hips, big shoulders and a long reach. He weighs more than Fitz did when the "human freak" was fighting for the championship and this is to his advantage.

Palzer has never been knocked out. He started in the game about a year ago and was nursed along by O'Rourke until he began to show some promise. Then he was sent against some fair heavyweight boxers in the east and made good with a vengeance. His first important engagement was with Kennedy, and Tom outpointed him slightly, but it was a hard ten round battle.

After boxing Kennedy, Palzer looked to have the proper experience to do something. He was therefore sent against Al Kaufman and he surprised the fight world by finishing the big Californian in five rounds. One year ago Kaufman was considered the only logical man to send against Johnson.

So Palzer has really done as much as has Flynn in the way of whipping real good opponents. Flynn whipped Kaufman in ten rounds, and the fight punch being sent over in the last session.

Cubs Produce Managers.

Six men who have played with the Chicago Cubs will be managers of big league teams this year. Clark Griffith, Jimmy Callahan, Frank Chance, Bill Dahlen, Johnny Kling and Harry Wolverton. They are evenly scattered between the two big leagues. Griffith was the first to break into the managerial game and was followed by Callahan, who led until Fiedler Jones took the job with the White Sox. Chance was the third to try his hand as a leader. Bill Dahlen jumped into the managing in 1910. Wolverton has had many minor league jobs as manager, while Johnny Kling will make his start with the Boston Nationals.

A Girl's Wild Midnight Ride.

To warn people of a fearful forest fire in the Catskills a young girl rode horseback at midnight and saved many lives. Her deed was glorious, but lives are often saved by Dr. King's New Discovery in such cases. The girl, who was cold and, who might have died in consumption or pneumonia. "I cured me of a dreadful cough and lung disease," writes W. R. Patterson, Wellington, Tex., "after four in our family had died with consumption, and I gained 57 pounds." Nothing so sure and safe for all throat and lung troubles. Price 50c and \$1.00. Trial bottle free. Guaranteed by Lee & Osmond Co.
